

WORLD GOSPEL MISSION

- *World Evangelism In Our Generation* -

The World Gospel Mission (WGM) is a partnership of thousands of faithful Christians around the world who seek to preach the gospel to the world. By partnering in printing and distributing the *World Gospel Book (WGB)*, thousands of Christians worldwide are working together in order to preach the gospel to friends, communities and the nations of their residence. They are doing such through the distribution of the *WGB*. Their motivation is that the Son of God be glorified through the preaching of the gospel that He revealed on the cross. The purpose of this ministry, therefore, is to give millions of people throughout the world an opportunity to hear and obey the gospel.

Jesus commissioned, *“Go into all the world and preach the gospel to every creature”* (Mark 16:15). Through the medium of the printed word, the *WGB* is used to accomplish this mandate of Jesus to preach the gospel to the world. We understand that only through Jesus Christ one can know and obey the gospel of the one true and living God. Jesus only is the gateway into the eternal presence of God, and thus Jesus is the only way into eternal life. The primary purpose of the *WGM* is to give every soul on earth an opportunity to transition from this world into eternal life in the presence of God.

The *WGM* is a concept of world evangelism. Since the laborers are always few in the kingdom, the *WGB* empowers the few to ac-

complish great things to the glory of God. Through the personal distribution of the *WGB*, one extends himself or herself throughout a nation to hundreds, if not thousands of souls. When local Christians are empowered with the *WGB*, they have the opportunity to preach the gospel to entire villages, towns and cities, and thus their entire nation.

We encourage everyone to fellowship with us in the mission of preaching the gospel of God’s grace to the world. We have chosen targeted nations to which we have already sent hundreds of thousands *WGBs*. If your nation has not received the *WGB*, then we encourage the Christians in your nation to organize together in order to print the *WGB*. When Christians work together, they can print the *WGB* for themselves, and thus work as a united force to preach the gospel throughout their nation.

If a group of Christians have a particular nation of interest for mission outreach, they can contact the director of World Gospel Missions in order to organize printing and shipment of the *WGB*. There may be others who are also interested in evangelizing their nation of mission interest. Please contact the following international director of the *WGM* for more information:
